REQUEST FOR RECONSIDERATION OF DECISION ON PETITION

Honorable Commissioner of Patents
Washington, D.C. 20231

RECEIVED

MAR 14 2002

OFFICE OF PETITIONS

Sir:

Applicant is in receipt of the *Decision on Petition* mailed February 26, 2002 dismissing Applicant's petition to withdraw this application from issue under 37 CFR §1.313 as moot. The *Decision on Petition* asserts that the issue fee required in the Notice of Allowance was not timely paid and thus the application can not be withdrawn from issue. In response, Applicant has contacted Ms. Sherry Brinkley and understand that this *Request for Reconsideration* should be filed together with a copy of the PTOL-85B including the *certificate of mailing* and the supporting documents evidencing that it was properly submitted.

In response, a copy of the PTOL-85B showing the *certificate of mailing* on February 5, 2002 is attached. This document was mailed in normal course from our offices on that date by Ms. Rose Fichtel, secretary to the undersigned. It is believed that this document was processed and mailed on that day as all correspondence bearing a *certificate of mailing* is routinely from our office. Applicant also includes a copy of one-half of a receipt card that was filed with the PTOL-85B that was damaged by the U.S. Postal Service during processing. Although the receipt date isn't clear, it appears that it was received and processed February 10-19, 2002 based on the available information on the receipt card. Applicant now understands from Ms. Brinkley that the issue fee has in fact been received and processed by the Patent Office. Applicant has also

confirmed that the check was processed for payment on February 25, 2002. A copy is attached herewith.

In view of the above, it is believed that the issue fee was timely paid in accordance with the *certificate of mailing* procedures and that the dismissal of the *Petition to Withdraw* as moot should be reconsidered and withdrawn. Applicant respectfully requests that the issue fee transmittal be processed and Applicant's previous request to withdraw this application from issue be reviewed and granted as soon as possible.

Should the Examiner believe that anything further would be desirable to place this application in better condition for allowance, the Examiner is invited to contact Applicant's undersigned attorney at the telephone number listed below.

Respectfully submitted,

Eric J. Robinson
